You loaf : We bake - Tezos Delegation Service

Our statistics: May

- Our Baker-in-Chief says: "On May 30 Tezos made history!!! Athens A went through seamlessly on my side, what an amazing achievement, the protocol was upgraded SEAMLESSLY, all software should be written this way." He and adds: "I am so revved well done @ArthurB for having the vision to see this was possible and to everyone who made this possible!"
- 27 delegates with 272.5Kₜₛ staking balance (to end of Cycle 111)
 - 99.1% uptime: We baked 21 blocks (1 miss / 1 steal) + 628 endorsements (1 miss)
 - YL:WB has earned 18,059ₜₛ since Cycle 8 launch
