You loaf : We bake - Tezos Delegation Service

Our statistics: June

- Our Baker-in-Chief says: "I wasn't surprised to see in Facebook's Libra white paper, that it has borrowed from Bitcoin and Ethereum. But the fact that it comes with on-chain governance is a strong affirmation of Tezos. Without naming any names, other wannabe cryptos were also conspicuous in their absence!"
- 28 delegates with 286.31K ₹ staking balance (to end of Cycle 121)
 - 100.7% uptime: We baked 25 blocks (0 miss / 1 steal) + 606 endorsements (2 miss)
 - YL:WB has earned 19,646 ₹ since Cycle 8 launch
